

Massachusetts Registered Auto Body Shops
Effective January 27, 2016

State law requires that auto body repair shops register and post a bond or letter of credit of at least \$10,000 with the Massachusetts Division of Standards. By law, GEICO cannot pay for repair work done by an illegal, unregistered shop.

Our list of registered repair shops contains the name of every registered auto body repair shop in Suffolk County. You may choose any shop which appears on this list to repair your vehicle.

For your convenience, GEICO has a list of registered and approved auto repair shops that offer on-site rental car arrangements and prompt rental car delivery at the time of your scheduled appointment. These shops appear in bold. If you choose to have your vehicle repaired at an Auto Repair Xpress® location GEICO guarantees the quality of all repairs related to your claim for as long as you own your vehicle.
