

Massachusetts Registered Auto Body Shops
Effective January 27, 2017

State law requires that auto body repair shops register and post a bond or letter of credit of at least \$10,000 with the Massachusetts Division of Standards. By law, GEICO cannot pay for repair work done by an illegal, unregistered shop.

Our list of registered repair shops contains the name of every Massachusetts registered auto body repair shop that is based outside of Massachusetts. You may choose any shop which appears on this list to repair your vehicle.
